

COMPANY PROFILE

2024

Our Story

In the heart of Egypt, the wise and loving grandmother, **Mila**, was the cornerstone of her family, providing not just love but everything they needed, from the early 20th century. Her special gift was cultivating vibrant fruits, a symbol of her unconditional generosity and care.

After Mila's passing, inspired by her memory, the family continued her tradition, giving rise to Mila Fruit. This brand is a tribute to Mila, embodying the core value of "giving" and serving as a bridge between generations.

Mila Fruit is more than just a brand, is a living testament to the generosity of the Egyptian people, symbolized by Mila's spirit.

With every bite, experience the love, commitment to quality, and the enduring connection between a grandmother and her grandchildren. Welcome to Mila Fruit, where each harvest is a celebration of love passed down through generations.

We understand the demand for high-quality, flavorful produce. That's why we meticulously select our crops from the finest farms in Egypt, ensuring they meet the strictest international standards for freshness, safety, and taste.

○ **Year-round supply**

○ **Efficient logistics**

○ **Competitive pricing**

Vision

Mila Fruit aspires to ensure high standards by uniting processes of the fruits and vegetables industry to deliver exceptional quality and be a pioneer to the distributors and importers.

Mission

Empowering people through high-quality fruits and vegetables, ensuring the optimal standards for an enhanced fresh produced experience.
